RE: U.S.A. v. Daniel Jou, 20-MJ-368 (RML)

Your Honor:

With the consent of AUSA Josh Hafetz and the approval of Pretrial Services Officer Shavoy Atkinson, who has been supervising Mr. Jou, as well as all of the suretors, I, respectfully, request that the conditions of Mr. Jou's release be modified to include home detention instead of home incarceration, so that he may work outside of his home on a schedule to be directed by Pretrial Services.

Thank You for Your attention to and consideration in this matter.

Respectfully Submitted,

Michael P. Padden, Esq.
